

INDEPENDENT AUDITOR'S REPORT

To,

The Members of STI India Limited**Report on the Standalone Ind AS Financial Statements**

1. We have audited the accompanying standalone Ind AS financial statements of **STI India Limited** ("the Company"), which comprise the Balance Sheet as at 31 March 2017, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "**standalone Ind AS financial statements**")

Management's Responsibility for the Standalone Ind AS Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements, that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (IndAs) specified under Section 133 of the Act, read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act; safeguarding the assets of the Company; preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the Standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state

of affairs of the Company as at 31 March 2017, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE.

Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. In conjunction with our audit of the standalone Ind AS financial statements of **STI India Limited** ("the Company") as of and for the year ended 31 March 2017, we have audited the internal financial controls over financial reporting (IFCoFR) of the company of as of that date.

Management's Responsibility for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the criteria being specified by management. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles including the Ind AS. A company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles including Ind AS, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017 based on the criteria being specified by management.

NOTE NO.- 1 (a) FOR THE YEAR ENDED 31.03.2017
SIGNIFICANT ACCOUNTING POLICIES
a. BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

The standalone Ind AS financial statements of the company have been prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis, the provision of the Companies Act, 2013 (to the extent notified) and guideline issued by Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under section 133 of the Act read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment rules, 2016.

The Company has adopted all the Ind AS and the adoption was carried out in accordance with Ind AS 101 first time adoption of Indian Accounting Standards generally accepted in India as prescribed under section 133 of the Act read with rule 7 of Companies (Accounts) Rules, 2016 which was the previous GAAP. The accounting policies adopted in the preparation of standalone Ind AS financial statement are consistent with those of previous year.

b. USE OF ESTIMATES

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions. These estimates, judgements and assumptions effect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenditure during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed below. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding these estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Critical accounting estimates
a. Revenue Recognition

- a. Domestic sales of finished goods and scraps are accounted for on dispatch of goods to customers. Gross Sales are net of sales returns.
- b. Export sales are accounted for on the basis of dates of Bill of Lading. Gross Sales are inclusive of incentives / benefits and net of sales returns.
- c. Revenue from Job work is recognized when services are rendered.

b. Property, Plant and Equipment:

Fixed assets are stated at cost of acquisition less accumulated depreciation if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready to use, as intended by management. The company depreciates property, plant and equipment over their estimated useful lives using the straight-line method. The estimated useful lives are as follows:

Lease hold Land	99 years
Site Development	99 years
Factory Building	30 years
Plant & machinery	25 years
Vehicles	10 years
Computer	03 years
Furniture	10 years
Office Equipment	05 years

Depreciation methods, useful lives and residual value are reviewed periodically, including at each financial year end.

“Based on technical evaluation, the management believes that the useful lives as given above best represent the period over which management expects to use the assets. Hence the useful lives for these assets are different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013”.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under ‘Capital work – in - progress’. Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in net profit in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

c. Intangible assets:

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over the irrespective individual estimated useful lives on a straight – line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

d. Impairment of Assets:

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the profit & loss account as and when an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

e. Investments:

Current investments are carried at the lower of cost and quoted / fair value, computed category wise. Long Term Investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary in the opinion of the management.

f. Inventories:

Inventories are valued as under:-

Raw Materials	At Cost
Work-in-Process	At Cost
Finished Goods	At lower of cost or net realisable value.
Stores and Spare	At Cost.
Cotton Waste	At estimated net realisable value.

Cost of Work in Process and Manufactured Goods includes material, labour & other appropriate overheads wherever applicable.

g. Foreign Currency:

Transactions in foreign currencies are recorded at the exchange rates notified by CBEC or at the exchange rate under related forward exchange contracts. The realized exchange gains / losses are recognized in the Profit & Loss account. All foreign currency current assets and liabilities are translated in rupees at the rates prevailing on the date of balance sheet.

h. Employee Benefits :

- (i) Short Term Employee Benefits are recognized as an expense at the undiscounted amount in the profit and loss account of the year in which the related service is rendered.
- (ii) Post employment benefits are recognized as an expense in the Profit and Loss account for the year in which the employee has rendered services. The expense is recognized based upon the premium amount determined by LIC Group Gratuity Scheme.
- (iii) Long Term employee benefits are recognized as an expense in the Profit and Loss account for the year in which the employee has rendered services. The liabilities on account of leave encashment have been provided on the basis of actuarial valuation, using projected unit credit method, as at the balance sheet date.

I. Taxation :

- (i) Provision for current tax is made with reference to taxable income computed for the accounting period, for which the standalone Ind AS financial statements are prepared by applying the tax rates as applicable.
- (ii) Deferred tax is recognised subject to the consideration of prudence, on timing differences being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Such deferred tax is quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date. Deferred tax assets are recognized and carried forward to extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

j. Borrowing Cost:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

k. Provisions, Contingent Liabilities and Contingent Assets:

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are neither recognised nor disclosed in the standalone Ind AS financial statements.

l. Expenditure during construction period :

The expenditure incurred and attributable interest & financing costs incurred prior to commencement of commercial production including Trial Run Expenses in respect of new project & substantial expansion of existing facilities are capitalized.
